

# Module 5 : Lesson 4

Full Circle Retail  
Products

In this lesson, we're going to cover the **main retail products** that comprise Alexandria Profesional's **Full Circle of Skin Conditioning Program**. This program is designed to not only **help client's reach optimum results** with sugaring but it will also **ease the extraction of hair, making your job easier!**

**Clients can  
start anywhere  
in the circle!**

✓ **Sugar**

✓ **Detoxify**

✓ **Exfoliate**

✓ **Soften**

# Exfoliation

**Saltspring®**

**Saltspring® is rich in natural minerals, rejuvenating your entire body and leaving skin feeling silky and smooth.**

**This multi-purpose restorative exfoliating treatment helps with ingrown hair problems, treats body blemishes and improves skin texture.**

## Benefits

**Saltspring®**

- **Reduces inflammation, detoxes the body, controls excessive sebaceous activity, kills bacteria, relieves dry & itchy skin, aids skin disorders such as acne, psoriasis, and eczema.**
- **Cold salt compress** can be used to help post-sugaring **histamine reactions** and aid in **controlling excessive sebaceous activity.**
- **Hot salt compress** can be used prior to a sugaring treatment to **help detox and open the follicles** to allow easier extraction of the hairs.

## How To Use

## Saltspring®

- For **mechanical exfoliation** mix with Restore™ Hydrating Lotion in a **2:1 ratio**.
- To create a **detoxifying salt bath**, pour **2 cups of Saltspring®** into the bathtub. This will help to condition the skin and detox the body as well as boost the immune system. Soak for 20-30 minutes.
- Use **2 tablespoons to every 8 fl oz** of distilled water or Essential Tonic™ or preferred Dermawear™ Duo to create **toner for the skin or a cold/hot compress**.

## Salt Smoothie®

A more **simplified way** for clients to utilise the Saltspring® scrub by **pre-mixing the Saltspring® with the Restore™ Hydrating Lotion**. It comes with all the same benefits!

A woman is shown from the back, applying a white, textured salt smoothie to her skin. She is using her hands to rub the product onto her shoulder and upper back. The background is a blurred outdoor setting.

## Benefits

## Salt Smoothie®

- **Exfoliation of the skin to keep dryness at bay and allow easier extraction of hair with sugaring treatments**
- **When used correctly, will also detox and restore moisture to the skin**

## How To Use

## Salt Smoothie®

- Apply Salt Smoothie® on **dry skin** in a small circular motion. **DO NOT RINSE OFF.** Wet your hands with warm water and gently massage over the scrubbed area to melt all of Salt Smoothie® into the skin.
- A Mud Puddle® mask can be applied to the area **following exfoliation** as it will allow deeper penetration of the Mud Puddle® and increase its effectiveness.

## Sweet Cheeks®

**Rejuvenate and hydrate in ONE step. Sweet Cheeks® is a sugar-based exfoliant that will replenish moisture while eliminated dead skin and debris. Safe and effective for even the most sensitive skin types.**

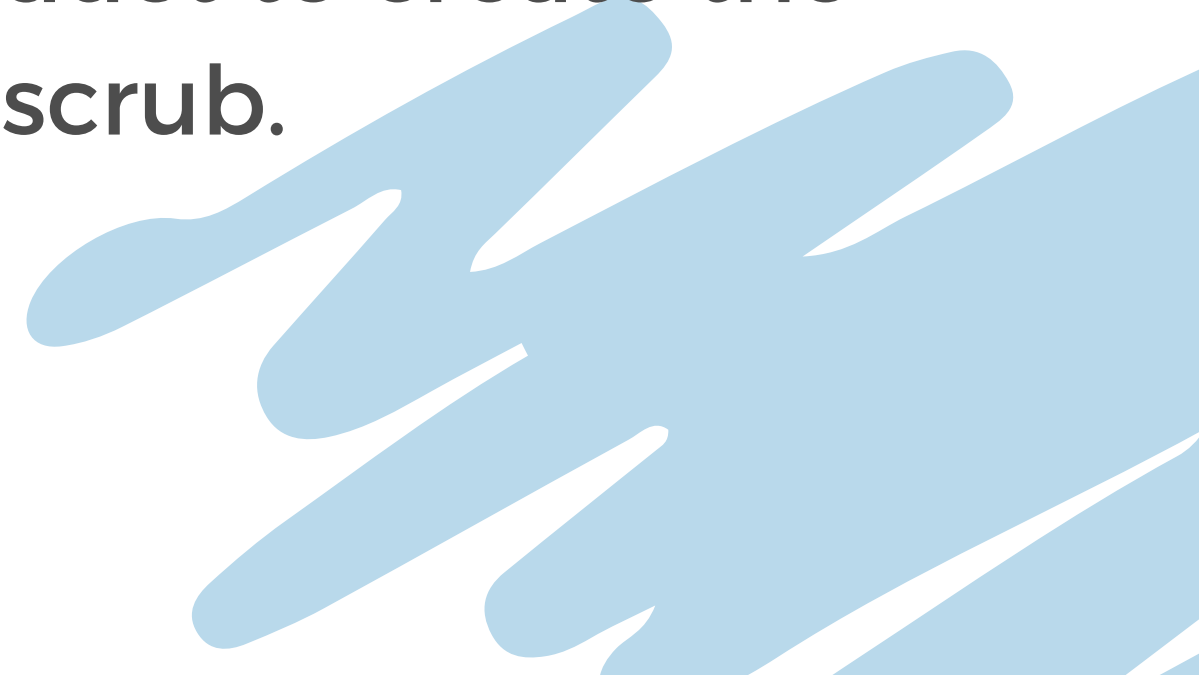

## Benefits

## Sweet Cheeks®

- **Exfoliate** dry skin on the face **without causing damage to the delicate skin** found there.
- Will also help to **moisturise the skin** at the same time due to the Restore™ Hydrating Lotion mixed into the product to create the scrub.

## How To Use

## Sweet Cheeks®

1. After washing the face, a **small amount of Sweet Cheeks®** should be **applied to the face** using the **tips of the fingers**
2. Then **gently massage** all over the face for about **3 minutes**
3. Rinse off Sweet Cheeks® and **follow up with Restore™ Hydrating Lotion** either on it own or mixed with Phenomzen-all®

## Spa Massage Gloves

**Spa Massage Gloves** are a must have accessory in the shower **for men and women to easily slough off dead skin cells and renew circulation.** Gloves can be **easily cleaned** in the wash to **reuse multiple times.**

The background features several thick, white, hand-painted brushstrokes of varying lengths and directions, creating a dynamic and textured effect against the solid blue background. These strokes are concentrated in the upper-left and lower-right areas, framing the central text.

# **Detoxification**

## Mud Puddle®

**Mud Puddle® is an all-natural Hungarian mud, rich in essential minerals and collagen. This multi-purpose rejuvenating treatment helps with ingrown hair problems, treats facial blemishes and improves skin texture.**

## Benefits

## Mud Puddle®

- **60% Silicon Dioxide** which is a major **building block of collagen** and healing for the body. It **repairs skin to bone by binding and boosting the collagen.**
- Works to **detox the body**, which can boost the immune system. It helps to detox the follicles allowing for **ease of hair extraction** with sugaring. Also used to **purge ingrown hairs.**
- **Anti-inflammatory** properties draw away heat from the body. Can be applied after a sugaring service to **reduce redness faster.**
- **Helps in targeting acne issues** when used as a facial mask.

## How To Use

## Mud Puddle®

- Can be mixed with **distilled water, Essential Tonic™, Restore™ Hydrating Lotion** or any **Dermawear™ Duo**. **Mixing ratio is 1:1**
- Mix with **Essential Tonic™** to help reduce **redness and calm down histamines faster or to treat acne.**
- Mix with **Restore™ Hydrating Lotion** to create a more whipped texture **for more moisture.**
- Mix with any **Dermawear™ Duo** for facial masks for both the **aromatherapy smell and to help further target skin issues.**

# **Skin Softening & Hydration**

## Phenomen-all®

**Phenomen-all® Skin Repair** is formulated to **repair, refresh, and rejuvenate skin**. It is 100% non-irritating and gentle enough to be used on sensitive skin by men, women, and children. Phenomena-all® **replenishes moisture, calms irritation, and softens skin cells to help relieve ingrown hairs.**

## Benefits

## Phenomen-all®

- **Clears skin from ingrowns without scarring the skin.**
- **Softens the appearance of stretch marks, fine wrinkles, scarring and more.**
- **Elimination of bumpy skin (keratosis).**
- Continuous use **softens and smooths skin**, drastically cutting down on dry, flakey skin
- Clients will experience **ease of hair extraction** because the skin will be better conditioned.
- **Boosts the hydration** in the skin and **encourages skin to heal and repair itself faster.**

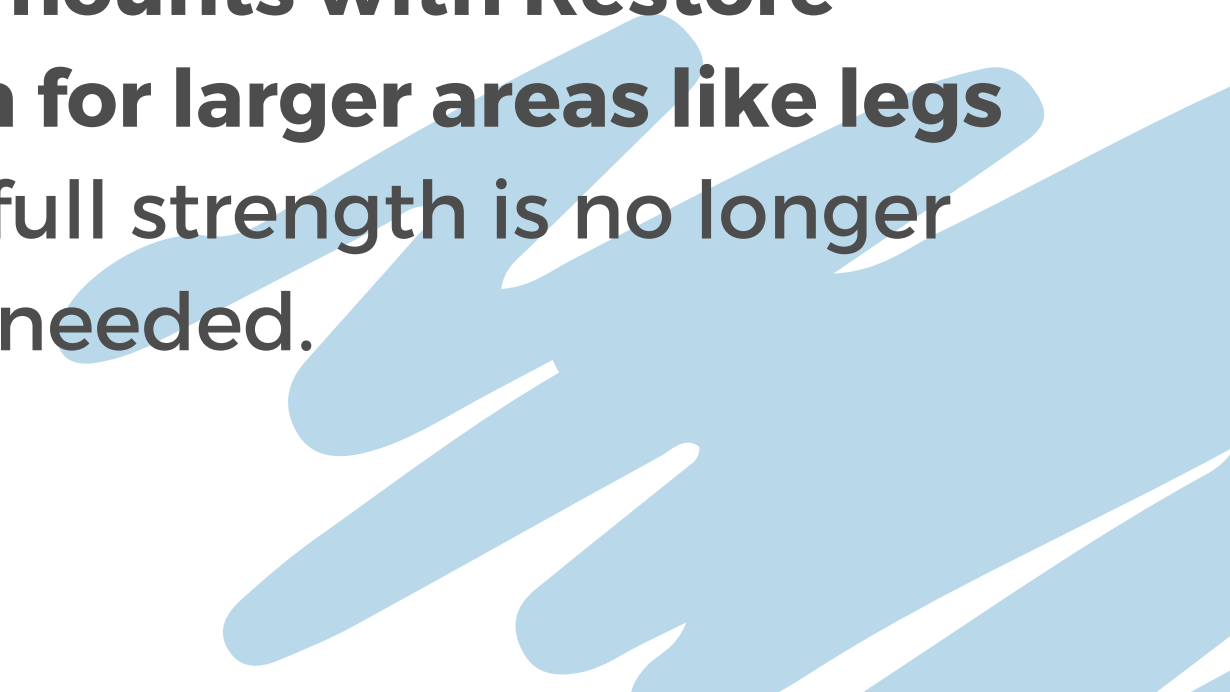

## How To Use

## Phenomen-all®

- Can be used at full strength or mixed with Restore™ Hydrating Lotion.
  - If **targeting ingrown hair**, use a **small dab at full strength** and **massage into the ingrown 2-3 times daily** until the ingrown is resolved.
  - Anywhere on the body that is **prone to ingrown or excessive dry skin**, it is recommended to use at **full strength**.
  - **Mix in equal amounts with Restore™ Hydrating Lotion for larger areas like legs** or areas where full strength is no longer needed.
- 

## Restore™ Hydrating Lotion

**A calming and soothing lotion that is lightweight and non-comedogenic. Soothes and protects all body parts, including the face. Gentle and effective for ALL skin types.**

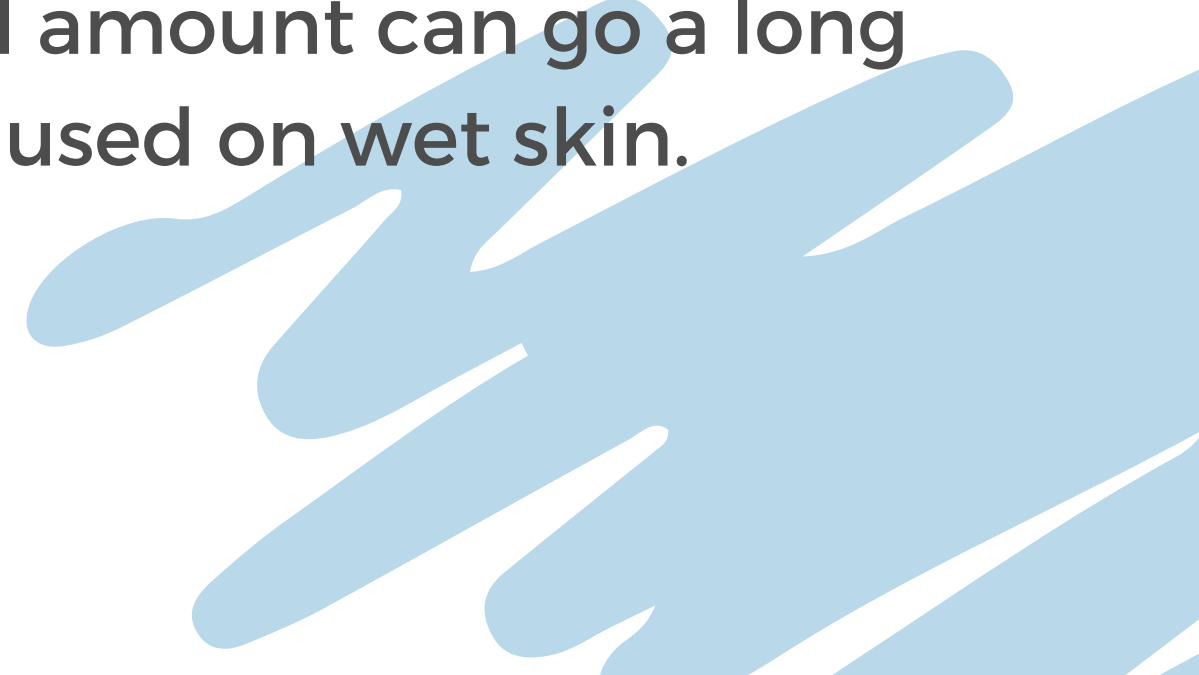

## Benefits

# Restore™ Hydrating Lotion

- Safe to use for all areas of the body as it is **fragrance free, paraben free, petrolatum free and urea free.**
- A common question is what lotions to use for intimate areas, **Restore™ Hydrating Lotion can be used everywhere!**
- **Extremely moisturising** formulation that **helps keep the skin smooth and free of dry skin.** A small amount can go a long way when used on wet skin.

How To Use

## Restore™ Hydrating Lotion

**Use on wet skin** either after a shower or after spraying Essential Tonic™ on the area. Apply the appropriate amount to the skin and **massage into the skin until completely absorbed.**

As part of this lesson, you **downloaded Alexandria Professional's Product Awareness Guide**. Please review this at your leisure - it contains information on ALL of our retail products.
